**KEYS**

Business prefers to keep client keys on file to simplify arrangements for future visits. Scheduling key pick-ups and returns will incur extra charges.

\_\_\_\_\_ I release my house keys to business to retain on file, in a secured location, for future services. I may revoke this release at any time, at which time my keys will be returned.

\_\_\_\_\_ I would like business to return my house keys after the current service is completed. I understand there will be a \$5 charge for key pickup for future services.
